WARFARE OF GRACE

Warfare of Grace exists to **redeem** men from the shame of sexual addiction into **spiritual leadership** through the biblical warfare of grace.

## We'll make this simple:

Do you have sexual behaviors you cannot stop? The bottom line is, you need a team. Warfare of Grace exists to be that team for you and to guide you in healing practices that will bring long lasting change. Our materials boast an impressive success rate and we want you to know that you are not alone!

Together we can change your life. Through information, community, accountability, and life changing practices, you can restore the brokenness you feel to life. It's time to make contact with your personal coach!

# How We Serve:

## COACHING

We've been there. We know. Our Warfare of Grace coaches have walked the path of healing and are ready to walk alongside **you**. Online, on the phone or in person, we'll develop a plan that works for you and encourage you on to healing and peace.

## TRAINING

The church cannot deal with Sexual Addiction if the basics of healing are unknown. Warfare of Grace provides groundwork for pastors and support persons through the best training material in the world.

## CHURCH GROWTH

Warfare of Grace is committed to establishing bunkers against the enemy. Through church partnerships we are planting healing environments in the Bloomington/Normal area.
