## GENTLE AND GRACIOUS RESTORATION.

Are you struggling with how to start this process? Whether you are a spouse, close friend, pastor or ministry partner, dealing with the revelation of sexual sin is difficult. Questions flood our minds:

- Is there a "right" response to sexual sin?
- Can I trust someone who has betrayed me?
- What do I do when I have hurt someone I love?
- What if I can't stop?

Warfare of Grace is committed to gentle, gracious restoration. **We will be your loving friend, no matter what part you have in the story.** One of the best decisions you can make is to let others help. That is why we are here. We have been through the pain and are ready to get you through too.
